 1-800-925-0611

Empower³ **does not** meet an individual's minimum essential coverage (MEC) requirements mandated under the Affordable Care Act. To avoid a penalty for being uncovered, you may still need to purchase insurance through your employer or an exchange plan. If you don't have MEC and don't obtain an exemption, you will pay a shared responsibility fee for every month you are without minimum essential coverage each year. THIS IS NOT HEALTH INSURANCE
